

Here Comes My Baby

In the midnight, moonlight hour
He's walking along that lonely mile
And every time I do
I keep seeing this picture of you

Here comes my baby, here she comes now
And it comes as no surprise to me with
another guy
Well, here comes my baby, here she
comes now
Walking with her love, with her love, that's
oh so fine
Never to be mine, no matter how I try

You never walk alone
And you're forever talking on the phone
I tried to call you names
But every time it comes out the same

Here comes my baby, here she comes now
And it comes as no surprise to me with
another guy
Well, here comes my baby, here she
comes now
Walking with her love, with her love, that's
oh so fine
Never to be mine, no matter how I try

Here comes my baby, here she comes now
And it comes as no surprise to me with
another guy
Well, here comes my baby, here she
comes now
Walking with her love, with her love, that's
oh so fine
Never to be mine, no matter how I try
