

Dementia Sings Out!

I Only Want to be with You

I don't know what it is that makes me love
you so

I only know I never want to let you go
'Cause you started something, oh, can't
you see?

That ever since we met you've had a hold
on me

It happens to be true, I only want to be
with you

It doesn't matter where you go or what
you do

I want to spend each moment of the day
with you

Well, look what has happened with just
one kiss

I never knew that I could be in love like this
It's crazy but it's true, I only want to be
with you

You stopped and smiled at me

Asked if I'd care to dance

I fell into your open arms

And I didn't stand a chance

Now, listen, honey, I just want to be beside
you everywhere

As long as we're together, honey, I don't
care

'Cause you started something, oh, can't
you see?

That ever since we met you've had a hold
on me

No matter what you do, I only want to be
with you

Oh, you stopped and you smiled at me

Asked if I'd care to dance

I fell into your open arms

I didn't stand a chance

Now hear me darling, I just want to be
beside you everywhere

As long as we're together, honey, I don't
care

'Cause you started something, oh, can't
you see?

That ever since we met you've had a hold
on me

No matter what you do, I only want to be
with you

I said, no matter, no matter what you do

I only want to be with you
